

A photograph of a man and a woman standing in a doorway. The man, on the left, is wearing a light grey polo shirt and shorts, and is leaning on a silver cane. He has a white bandage on his right lower leg. The woman, on the right, is wearing a pink top with a white pattern and a dark cardigan. They both have serious expressions. The background shows a window with a decorative glass panel and some greenery outside.

SMOKES CAN LEAD TO STROKES

Quitting leads to living. Smokers have double the risk of a stroke. And if you do have one it will completely change your life. Find your own way to quit at quit.org.au
